an amount of Rs. 770 crores for the upgradation/development of city level infrastructures, including road, transport, power, watersupply/ sewerage, health facilities, traffic and security, etc. Various other infrastructure development works will be undertaken by the Government of NCT of Delhi under their normal plan.

(d) The specific works, including flyovers, underpasses and other road connectivity projects, will depend on the final allocation of funds by the Planning Commission.

National-level sports facilities

†397. SHRI HARISH RAWAT: Will the Minister of YOUTH AFFAIRS AND SPORTS be pleased to state:

(a) the States where national-level sports facilities like stadium, indoor stadium, swimming pool, shooting range, tennis court, etc. are not available;

(b) whether his Ministry is preparing any special action plan to provide national-level sports facilities in such States; and

(c) if so, the details thereof?

THE MINISTER OF YOUTH AFFAIRS AND SPORTS (SHRI MANI SHANKAR AIYAR): (a) 'Sports' being a State subject; information regarding availability or non-availability of such sports infrastructure in the States is not maintained in the Ministry.

(b) and (c) It is primarily the responsibility of State Governments to create sports facilities including stadia, swimming pools, shooting ranges, tennis courts etc. Till 31.3.2005, the Ministry was supplementing the efforts of the State Governments for creation of sports facilities by providing Central assistance under the Centrally Sponsored "Sports Infrastructure Scheme" in accordance with the approved pattern subject to the receipt of viable proposals from the State Government. Government, however, decided to transfer the Sports Infrastructure Scheme to the State sector *w.e.f.* 1.4.2005. Thus, fresh cases of Sports Infrastructure projects will have to be funded by State Governments out of their own resources. All State Governments were informed accordingly in February, 2005. As such, the Ministry is not in a position to prepare special action plans for the
